Top This . . .

Zeke Medders takes the win this week with this picture of a high flying act while trying to top a chimney with a copper cap.

Fidelity Metalworks steps up to make us all look good once again!
Thanks for what you do!

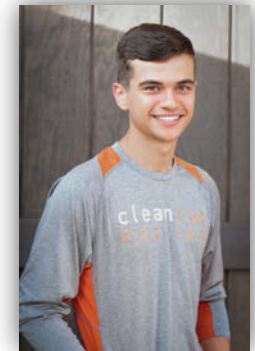

Send your job-site captures to Wayne at (903) 932-2163 to enter next week's contest.

WORDS FROM DOS:

How to treat a new co-worker:

(We must hire and train more employees. to maintain our growth and strength in the marketplace)

1. Welcome them and learn their name.
2. Learn their strengths.
3. Accept their weaknesses.
4. Show them what you have learned.
5. Help them with safety and other rules.
6. Be patient and give them room to grow.
7. Talk about what makes our team great

We are truly blessed with a great team; let's make it grow!

SAFETY:

**** All personnel must wear seatbelts in company vehicles.**

ANNOUNCEMENTS:

1. When you arrive at work, the goal is to get going ASAP. We clock in ONLY when we are on the way to the job, or while preparing our trucks to go.
2. If you ever have a payroll error, please let Julie know. She will get it corrected.
3. Please remember to text pictures of receipts to Veneta at: (904) 449-1592
4. Starting October 15th, we are making the transition from Trello and T-Sheets to BuilderTrend—be aware, there will be changes, and we are here to help.
